**Subject:** RE: Pending waivers

Petitioner did not respond to the letter which transmitted the T&C of July 25, 2002. Letter sent on September 18, 2003, from Emily to Petitioner stated ORO considered the waiver request withdrawn and if Petitioner wished to have reactivated, that they would have to provide a written request to ORO.

Katie should have a copy of this Letter in her waiver file.

Thank you,

Elizabeth M. Dillon
